*Third Annual*  
**CASINO NIGHT**

December 1, 2008

Brilex Industries, Inc.  
Attn: Alex Benyo  
P.O. Box 749  
Youngstown, OH 44501

Dear Mr. Benyo,

The Make-A-Wish Foundation® Northeast Ohio, Youngstown office is pleased to announce the *Third Annual Make-A-Wish Casino Night*. The event will be held on **Friday, March 20, 2009** at the Chevrolet Centre. All proceeds from the evening will be used to grant the wishes of local children battling life-threatening medical conditions.

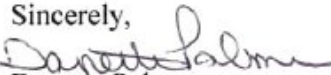

This first class event will consist of fabulous hors d' oeuvres, open bar, live music, gaming and a multitude of fantastic prizes. Professional gaming tables and volunteer dealers will run the evening so that guests can enjoy Poker, Black Jack, Texas Hold-Em, and other exciting Casino games! (*Please note there will be no cash payouts from gaming. This is a "for-fun" only event.*)

As a key participating sponsor to last years' *Make-A-Wish Casino Night*, we would like to invite Brilex Industries, Inc., to partner with us again this year as the Hors D'oeuvres Sponsor. By helping to grant wishes to local children, the tangible and intangible benefits that you will receive are numerous.

We grant approximately 150 wishes a year for local children. Currently, 100 children are waiting to have their very special wish granted. We cannot expedite cures for their illnesses. We cannot lessen their pain of treatment and surgery. But we can, with your help, make dreams happen and create memories that these children and their families will carry with them.

If you have any questions regarding the Make-A-Wish Foundation®, our mission or other sponsorship opportunities for this years' Casino Night, please do not hesitate to contact me at 330-965-9085.

We look forward to seeing you the evening of March 20<sup>th</sup>!

Sincerely,  
  
Danette Palmer  
Development Officer  
Make-A-Wish Foundation®
